TURNOVER DECLARATIONS

Good day H2O Franchisees

The following directive, relating to non-submission of turnover declarations, was discussed at the recent FRC meeting and will be implemented as of 1 March 2019.

The Franchise Agreement requires Franchisees to submit their monthly turnover declarations by the 15th day of each month. Unfortunately, many franchisees are not complying with this requirement, which leads to inefficiencies and negatively impacts the quality of information for decision-making.

As of 1 March 2019, no stock will be issued to any franchisee that is not up to date with their turnover declaration submissions.
